OUR LEARNING

NURSERY

This week in Nursery we have started our new topic 'Old MacDonald had a Farm'. We have been reading the book 'The Little Red Hen'. We also found out we can use flour for lots of different things other than bread such as cakes, cookies, pasta, playdough etc. The children have been enjoying shopping at the Farmer's Market in our role play area. We ended the week with a cosy day celebrating Hygge Day.

RECEPTION

What a discovery - we entered school on Tuesday to see that someone had stomped all through our classrooms! We concluded it was The Giant!!! He was trapped in our school grounds so have written him some instructions and provided some materials so he can plant his own outdoor beanstalk to return to his castle!

OUR LEARNING

YEAR 1

In Year 1 this week, we made a mysterious discovery in Forest School during our English lesson - some bones and a puzzle. We predicted that these might belong to a mammoth! We have also been experimenting with colour mixing in our art lessons and went on a fantastic visit to a local mosque. The children were very respectful and learnt a lot about Islam.

YEAR 2

In Year 2 this week we have been introduced to the 'Great Fire of London' in history and talked about keeping healthy in PSHE.

We gave Jigsaw Jo some ideas on how to feel more energetic and why it is important to brush our teeth.

OUR LEARNING

BRIDGE CENTRE

This week, The Bridge have been challenging themselves to overcome their fears, by going to a local climbing wall. The children had a fantastic time finding their limits and then surpassing them! Well done all of you!

RAINBOW ROOM

This week in the Rainbow Room, we have learnt all about The Three Little Pigs. We looked at our big storybook, and saw how the big bad wolf would blow the houses down! We made a strong house for our pigs with Lego and tried our best to blow them down - they didn't! We enjoyed making a brick house collage using red card and PVA glue. We have also carried out our daily interventions - PECS, workstations, individual speech and language programmes, Phonics and Attention for Learning.
