1. Scope, Purpose and Aims

- 1.1 The purpose of this policy is to ensure every child who is a pupil at our school is safe and protected from harm.
- 1.2 Safeguarding and promoting the welfare of children is everybody's responsibility.
- 1.3 This policy therefore applies to all school staff including supply and agency staff, and volunteers and gives clear direction on how to safeguard children effectively.
- 1.4 This policy aims to give clear direction to all staff, governors and parents about our moral and statutory responsibilities to safeguard and protect children.
- 1.5 Our school is committed to ensuring that those children who are at risk of, or experiencing significant harm or abuse, are supported and that swift and effective action is taken to ensure they are protected.
- 1.6 Our school fully recognises the contribution it can make to safeguarding and protecting children from harm through prevention, support and protection.
- 1.7 This, and associated policies, will be reviewed annually (as a minimum) and updated if needed, so that they are kept up to date with safeguarding issues as they emerge and evolve, including lessons learnt.
- 1.8 This policy will be available publicly via the school website and paper copies can be provided upon request.

2. Definitions

- 2.1 **Safeguarding** is defined as, protecting children from maltreatment, preventing the impairment of children's mental and physical health or development, ensuring that children grow up in circumstances consistent with the provision of safe and effective care and, taking action to enable all children to have the best outcomes.
- 2.2 **Child Protection** is part of safeguarding and promoting welfare. This refers to the activity that is undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.
- 2.3 **Abuse** is defined as a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others.
- 2.4 **Child/ren** refers to anyone who has not yet reached their 18th birthday.
- 2.5 **Staff** refers to all those working for or on behalf of the school, full time or part time, in either a paid or voluntary capacity, including supply and agency staff.
- 2.6 **Parent/Carer** refers to birth parents and other adults who are in a parenting role, for example step-parents, foster carers and adoptive parents or legal guardian.
- 2.7 **Governors** refers to individual governors, governing bodies and boards and in the case of academies, this refers to proprietors.
- 2.8 **Children Missing Education (CME)** are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school i.e. privately or electively home education (EHE).
- 2.9 **For the purposes of this document we define Children Missing Education as:** All children of compulsory school age who are:
 - 2.9..1 Not on a school roll or receiving a suitable education otherwise than at a school
 - 2.9..2 On the roll of a school but where they have been absent for 10 consecutive days following an agreed leave of absence and no contact has been received from parents.

3. Ethos and culture of safeguarding

- 3.1 Everyone at our school will endeavour to create and maintain an ethos where pupils feel valued, respected and secure.
- 3.2 Children are encouraged to communicate freely with any member of staff about any concerns or worries they may have. They will be listened to and supported in a way that is appropriate to their level of need.
- 3.3 We recognise that staff at our school play a particularly important role in safeguarding children as they are in a position to identify concerns early and therefore prevent concerns from escalating.
- 3.4 Staff will therefore maintain an attitude of 'it could happen here' where safeguarding and abuse is concerned and demonstrate professional curiosity.
- 3.5 School will have a clear set of values and standards, upheld and demonstrated throughout all aspects of school life.
- 3.6 All stakeholders will contribute to a whole school approach to safeguarding that creates a culture of zero tolerance for sexism, misogyny/misandry, homophobia, biphobia and sexual violence/harassment.
- 3.7 Governing bodies and proprietors will create a culture that safeguards and promotes the welfare of children in their school.
- 3.8 Leaders will create the right culture and environment so that staff feel comfortable to discuss matters which may have implications for the safeguarding of children, both within, and where it is appropriate, outside of the workplace,
- 3.9 Governors and leaders will create and embed a culture of openness, trust and transparency in which the school's or college's values and expected behaviour set out in the staff code of conduct are lived, monitored and reinforced constantly by all staff.
- 3.10 There will be a culture that makes clear that there is a zero-tolerance approach to sexual violence and sexual harassment and that it is never acceptable, and it will not be tolerated.

4. Curriculum

- 4.1 Children will be taught about how to keep themselves and others safe, including online.
- 4.2 Our curriculum will be tailored to the specific needs and vulnerabilities of individual children, including children who are victims of abuse, and children with special educational needs or disabilities.
- 4.3 All pupils will receive Relationships Education which includes explicit teaching about healthy and respectful relationships.
- 4.4 All pupils will receive Health Education which teaches them how to keep physically and mentally healthy.
- 4.5 This education will be fully inclusive and developed to be age and stage of development appropriate (especially when considering the needs of children with SEND and other vulnerabilities.)
- 4.6 When planning the curriculum, online safety should be considered as part of a whole school approach to keeping children safe online.
- 4.7 LGBT inclusion is part of the statutory Relationships Education, Relationship and Sex Education and Health Education curriculum and should therefore be included.
- 4.8 We actively promote the fundamental British values of democracy, rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs throughout our curriculum.

9. Procedures & Referrals

9.1 In addition to general duties and responsibilities to safeguard and protect children, there are certain circumstances where a specific procedure is required.

9.2 Child Protection

Under section 47(1) of the Children Act 1989, Local authorities, with the help of other organisations as appropriate, have a duty to make enquiries under section 47 of the Children Act 1989 if they have reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm.

9.3 If, at any point there is a risk of immediate serious harm to a child a referral should be made to the police or CADS immediately. Anybody can make a referral.

9.4 Referral to children's social care

**Telephone Blackburn with Darwen Borough Council's Children's Advice and Duty Service (CADS)
01254 666400**

[3.1 Making a Referral to Children's Social Care \(proceduresonline.com\)](http://proceduresonline.com)

9.5 A professional making a child protection referral under s.47 must provide information that highlights what the child's unmet needs (underlying risk factors) are as well as high risk indicators that potentially identify the child may be suffering or likely to suffer significant harm.

9.6 If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration.

9.7 Consent from parents/carers

The school will normally seek to discuss any concerns about a pupil with their parents/carers if it is safe to do so, and ask for consent to share information and concerns with other agencies e.g. Children's Advice and Duty Service (CADS). Tell them what information you are going to share, who with and why you think it is the right thing to do.

Where the child is in the care of the local authority the DSL should liaise with the Designated Teacher regarding relevant consents/contacts. In the event of any safeguarding concerns arising for children with an allocated social worker the allocated social worker/team/ manager would be contacted in the first instance to share these concerns

(Consent is not necessary if the DSL is requesting advice from CADS without sharing any information about the child/family involved.)

However, if the DSL believes that informing parents would increase the risk of harm to the child or put anyone else at risk, or cause an unjustifiable delay in making the referral, advice will first be sought from children's social care (particularly if the disclosure is sexual abuse, forced marriage, under Prevent Duty, Female Genital Mutilation or Fabricated and Induced Illness (FII)).

In summary:

You need consent to:

- Make a referral or request for a service to another agency or arrange a multi-agency meeting
- Consult with other agencies about a family to help you to determine what support they might need where you are sharing their personal details

You do not need consent to:

- Have a conversation with the Children's Advice and Duty Service (CADS) or Designated Safeguarding Lead within your organisation where you do not share identifiable details of the family.

You do not need consent, nor should you delay, but should, wherever possible, inform the family when:

- You are concerned that a child/young person, family member or other person has come to, or is likely to come to significant harm and you need to share this with other agencies so that they can take steps to ensure their safety.

9.8 Allegations

All concerns or allegations against those working in or on behalf of schools and colleges in a paid or unpaid capacity, this includes, members of staff, supply teachers, volunteers and contractors should be reported to the headteacher, or, where the headteacher is the subject of an allegation, the chair

of governors or chair of the management committee and in an independent school it will be the proprietor.

- 9.9 Before contacting the LADO, schools and colleges should conduct basic enquiries in line with local procedures to establish the facts and to help them determine whether there is any foundation to the allegation, being careful not to jeopardise any future police investigation.
http://panlancashirescb.proceduresonline.com/chapters/p_allegations.html
- 9.10 **Referral to the Local Authority Designated Officer**
The Headteacher and/or Chair of Governors must discuss allegations with the Local Authority Designated Officer (LADO).
- 9.11 **Low-Level Concerns**
Concerns about conduct which do not meet the harm threshold must still be referred to the school DSL/headteacher in a timely manner.
- 9.12 **Referral to the DBS (Disclosure and Barring Service)** must be made if a person in regulated activity has been dismissed or removed due to safeguarding concerns or would have been had they not resigned. This is a legal duty and failure to refer when the criteria are met is a criminal offence.
- 9.13 **FGM Mandatory Reporting Duty**
- 9.14 There is a statutory duty upon teachers that they must report to the police cases where they discover that an act of FGM appears to have been carried out. It will be rare for teachers to see visual evidence of FGM, and they should not be examining pupils or students, but the same definition of what is meant by “to discover that an act of FGM appears to have been carried out” is used for all professionals to whom this mandatory reporting duty applies.
[Female Genital Mutilation \(proceduresonline.com\)](http://panlancashirescb.proceduresonline.com/chapters/p_fgm.html)
- 9.15 **Referral to Prevent and Channel Panel**
The designated safeguarding lead (or deputy) will consider a referral to Prevent when there are concerns about a child being radicalised.
[radicalisation \(proceduresonline.com\)](http://panlancashirescb.proceduresonline.com/chapters/p_prevent.html).

10. Record Keeping

- 10.1 An important part of safeguarding is ensuring that detailed, accurate and secure written records of concerns and referrals are kept.
- 10.2 The record keeping system used in our school is: CPOMS
- 10.3 Staff will receive relevant information and training at induction and when required that enables them to use the school’s record keeping system effectively.
- 10.4 All safeguarding and child protection concerns, discussions and decisions made and the reasons for those decisions, will be recorded on CPOMS
- 10.5 Records should include:
- 10.5..1 a clear and comprehensive summary of the concern
 - 10.5..2 details of how the concern was followed up and resolved, and
 - 10.5..3 a note of any action taken, decisions reached and the outcome
- 10.6 Child protection records are normally exempt from the disclosure provisions of the Data Protection Act, which means that children and parents do not have an automatic right to see them.
- 10.7 If any member of staff receives a request from a pupil or parent to see child protection records, they will refer the request to the Head Teacher or DSL.
- 10.8 Child protection information will be stored and handled in line with guidance from the [Information Commissioner’s Office](http://www.informationcommissioner.gov.uk) and UK GDPR requirements.
- 10.9 If in doubt about recording requirements, staff will discuss this with the designated safeguarding lead (or a deputy).
- 10.10 Where children leave the school or college, the designated safeguarding lead will ensure their child protection file is transferred to the new school or college within 5 days for an in-year transfer or within

the first 5 days of the start of a new term to allow the new school or college to have support in place for when the child arrives.

10.11 Confirmation of receipt of the child protection file should be obtained and retained by the school the child has left.

11. Information Sharing

11.1 Early information sharing is vital for the effective identification, assessment, and allocation of appropriate service provision, whether this is when problems first emerge, or where a child is already a child in need, a child with a protection plan or a looked after child.

11.2 Staff will not assume a colleague, or another professional will take action and share information that might be critical in keeping children safe.

11.3 Staff will only discuss concerns with the Designated Safeguarding Lead, Headteacher or Chair of Governors (depending on who is the subject of the concern). That person will then decide who else needs to have the information and they will disseminate it on a 'need-to-know' basis.

11.4 Where children leave school, the designated safeguarding lead will consider if it would be appropriate to share any information with the new school or college in advance of a child leaving.

11.5 [Information sharing advice for safeguarding practitioners - GOV.UK \(www.gov.uk\)](http://www.gov.uk) supports staff who have to make decisions about sharing information.

11.6 DPA and UK GDPR **do not** prevent the sharing of information for the purposes of keeping children safe and promoting their welfare.

11.7 Fears about sharing information **must not** be allowed to stand in the way of the need to safeguard and promote the welfare of children.

12. Children potentially at greater risk of harm

12.1 Whilst ALL children require safeguarding and protecting, some groups of children, are potentially at greater risk of harm than others.

12.2 Children who need a social worker (Child in Need and Child Protection Plans)

12.2..1 Where children need a social worker, this should inform decisions about safeguarding and about promoting welfare.

12.3 Children missing from education and children absent from school/college

12.3..1 It is recognised that when children go missing from education, particularly persistently, this can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and child criminal exploitation- particularly county lines.

12.3..2 When a child goes missing from education, local CME procedures will be followed to safeguard the child and help prevent the risk of them going missing in the future.

12.3..3 Further information, guidance and the local procedure for referring CME is attached.

12.4 **Children who are absent for repeated or prolonged periods of time can be at risk of a range of safeguarding possibilities. Further information and guidance to improve attendance** can be found in

[Working together to improve school attendance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk) to support early intervention and prevent the child going missing in the future.

12.5 Elective Home Education (EHE)

- 12.5..1 Home education can mean some children are less visible to the services that are there to keep them safe.
- 12.5..2 Leaders, including the DSLs and any deputies will familiarise themselves with DfE guidance [Elective home education - GOV.UK \(www.gov.uk\)](https://www.gov.uk)
- 12.5..3 Where a parent/carer has expressed their intention to remove a child from school with a view to educating at home, the DSL will be informed and will endeavour to co-ordinate a meeting with the LA and other key professionals and parents/carers where possible.
- 12.5..4 This is particularly important when the child has special educational needs or a disability, and/or has a social worker, and/or is otherwise vulnerable.

12.6 Children requiring mental health support

- 12.6..1 Mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- 12.6..2 Staff will recognise and respond to indicators that a child may require mental health support and alert the DSL as with any other safeguarding concern.
- 12.6..3 DSLs will be aware of and source appropriate mental health support using referral systems and escalation where necessary.

12.7 Looked after children and previously looked after children

- 12.7..1 We ensure that staff have the skills knowledge and understanding to keep looked after and previously looked after children safe.
- 12.7..2 We promote the educational achievement of registered pupils who are looked after, by working with the local authority and appointing a designated teacher for these children.

12.8 Children who are lesbian, gay, bi, or trans (LGBT)

- 12.8..1 We endeavour to reduce the additional barriers faced by children who are LGBT and provide a safe space for them to speak and share their concerns with a member of staff.

12.9 Children with special educational needs and disabilities (SEND)

- 12.9..1 We recognise that children with special educational needs or disabilities (SEND) or certain medical or physical health conditions can face additional safeguarding challenges both online and offline. Such barriers include:
 - 12.9..1.1 assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration
 - 12.9..1.2 being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children
 - 12.9..1.3 being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs, and
 - 12.9..1.4 communication barriers and difficulties in managing or reporting these challenges.
 - 12.9..1.5 cognitive understanding – being unable to understand the difference between fact and fiction in online content and then repeating the content/behaviours in schools or colleges or the consequences of doing so.
- 12.9..2 We therefore consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.
- 12.9..3 DSLs liaise with relevant staff, in particular the SENCO when there is a safeguarding concern for a child with SEND.

13. Child-on-child abuse

- 13.1 All child-on-child abuse is unacceptable and will be taken seriously by all staff.
- 13.2 Child-on-child abuse is most likely to include, but is not limited to:
- 13.2..1 Bullying, including online, prejudice-based and discriminatory bullying
 - 13.2..2 Abuse in intimate personal relationships (teenage relationship abuse)
 - 13.2..3 Physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
 - 13.2..4 Initiation/hazing type violence and rituals
