

Shadsworth Infant School Newsletter

Friday 19th July 2024

Message from Mrs Crompton

As we arrive at the very end of the school year, I would like to say a huge THANKYOU to everyone who has been part of 2023 – 2024 at Shadsworth Infant School. It has been a very busy year as always and we are incredibly proud of everything each child has achieved. As we looked back over the year yesterday at Leavers assembly, it is amazing to see the adventure our children go on as they move through our school.

Year 2 – we will miss you, enjoy every moment of the next step of your journey, keep being resilient and have ambition in everything you do. Take every opportunity, work hard and try your best in everything you do! Goodbye to those Families who have been part of our school for several years, we will miss you too!

Thank you for supporting school as always, have a wonderful summer break, keep safe and we look forward to the children returning to school on Wednesday 4th September, 8am for Breakfast, 9am for learning.

Education is not optional! There is an expectation that children are in school everyday!

As in previous years, Blackburn with Darwen Library & Information Services in association with The Reading Agency will be encouraging all children **age 4 - 12** years to sign up for the **Summer Reading Challenge**, which this year is called 'Marvellous Makers'. Children read and review **six library books** during the summer holidays to complete the challenge and collect **stickers and other prizes** along the way. Children have a completely free choice of which library books or **eBooks** they want to read, or which **audio books or eAudio** they want to listen to as these can count towards their total as well. Those who complete the challenge will also get a **certificate and a medal** at the end. Enrolment on 'Marvellous Makers' will be available at your local library any time **between Monday 1st July and Monday 30th September**, completely free of charge.

In the Early Years

Let's have a look at this week's poster!

15th - 21st July 2024

Let's look at this week's story

This week's news story is about a research company called YouGov, which has asked lots of children what job they would like to do when they are older. This was to find out which jobs are popular, and which are not.

Think about: Which job do you think most children said they would like to do?

The research company found that the three most popular jobs were footballer, YouTuber and gamer.

Think about: What is a YouTuber? What do you think their job is to do? Why do you think footballer, YouTuber and gamer were the most popular jobs? Would you like to do any of these jobs? Why?

The research also found that the job at the bottom of the list (the job that hardly any children said they wanted to do) was prime minister.

Think about: What is the job of a prime minister? Is this a job you would enjoy? Why?
