There is an expectation that children are in school everyday!

Education is not optional! There is an expectation that children are in school everyday!

Message from Mrs Crompton

Enrichment nights are up and running for the spring term and have been really successful so far with nearly all our pupils from reception to year 2 taking part. The children voted for the top three clubs they wanted to join and were allocated one of their choices. We have a wide range of clubs on offer including 'Wacky Workout' , home décor, Lego, singing, story, 'Dough Disco' plus many more! It has been wonderful to see the children enjoying these activities and taking part in their interests.

Next week is National Storytelling week and to celebrate this we would like to invite you into school to enjoy a special story time with your child.

Nursery or Reception parents - 2.50pm on Monday 29th January

Year 1 and Year 2 parents - 2.50pm Wednesday 31st January

We would really like to hear from any of our families who would like to get involved with the PTFA. The PTFA is a group of parents and wider family members who support the school through putting on events for our children and raise much needed funds to provide opportunities, experiences and resources for our school. If you would like to get involved please let the office know.

Put down your phone

Don't miss out on chances to talk with me.

Looking at your phone all the time makes me think you don't want to chat. When we're out and about talk to me about what we can see. I learn new words when we play together so put down your phone and play, talk, sing and share books with me.
