

# LEADING PARENT PARTNERSHIP AWARD

Spring Newsletter

March 2019

As many of you will already be aware we have embarked on a national award called Leading Parent Partnership Award (LPPA) which we hope to achieve later on this year. Here is an update of our progress towards the award.

Here is a list of some of the ways we have recently promoted parent partnership:

- During story-telling week parents were invited into classes to join in story time.
- A parent's mindfulness session took place on 21/1/19
- Questionnaires were completed during parents evening to gain the views of our parents.
- Reception held a successful open afternoon in which parents could share in their child's learning.

You said...

Please can doors open early in cold, wet weather.

We did...

Doors are now open from 8.50am on cold, rainy days.

## Suggestion Box

Don't forget to add any suggestions you have into the box located in the school entrance. All suggestions will be read and responded to.

Reception had a fantastic turnout for their Parent's Open Afternoon.

We have lots of exciting Parent Partnership events coming up...
